REASONS FOR ALLOWANCE

Claims 1-8 are allowed. The following is an examiner's statement of reasons for allowance: regarding claim 1, the prior art does not suggest the connector as claimed, including the combination of all the claimed elements, the combination including the receiving means for connecting an entering conductor and an exiting conductor as claimed and including the cavity and bushing hole as claimed including that the shielding means is connectable to the receiving means through the hole as claimed.

Regarding claim 4, the prior art does not suggest the arrangement as claimed, including the combination of all the claimed elements, the combination including the connection element for connecting the electric conductors, the shielding means having two pins, the first pin being connected to the connection element and the second being coupled to the base as claimed and including the cavity arranged to the body of the connector, the cavity being open on the side that settles against the base.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
